PREFACE

The report provides brief information on all publications issued by the Statistical Service ("Department of Statistics and Research" until 2000) since its establishment in 1950. It is considered as a useful aid to users of statistical data such as Government Departments, private enterprises, academic institutions, international organizations, researchers and others.

The publications included in this report are available for sale from the offices of the Statistical Service in Lefkosia. It should be noted that many of the publications appearing in this issue are inevitably out of stock or discontinued. For these publications the interested users are advised to apply to the Library of the Statistical Service in Lefkosia.

The report is also available on the website of the Statistical Service at the address: <http://www.cystat.gov.cy>. All the publications of the Statistical Service issued from the year 2004 onwards are available on the website in electronic form free of charge.

The report was co-ordinated and edited by Mrs Esther Sophocleous, Statistics Assistant, under the supervision of Mr Costas Diamantides, Chief Statistics Officer.
