**GENERAL REMARKS**

1. The purpose of the survey is the collection of basic statistical data for the buildings constructed in general and the new housing units in particular which were completed during 2007.
2. The survey is carried out in accordance with the Statistics Law (15(I), 2000). All data are treated as confidential.
3. All questions should be answered with the highest possible degree of accuracy. If you cannot give precise figures you may give the nearest possible estimates.
