General Information about the Survey:

1. The survey conducted is in accordance with the Regulation No. 1177/2003 of the European Council and the European Parliament (EU-SILC). The main objective of the survey is to study the standard of living of the population with respect to their income at the European and national level. The survey will be used as the main source for the compilation of statistical indicators about the distribution of income and the social exclusion with respect to the European Union level.
2. The Statistical Service is kindly requesting all households to cooperate when visited by the interviewer and supply the necessary information as accurate as possible.
3. The Statistical Service is obliged in accordance with the statistics Law no. 15(1)2000 to treat all the information collected as **CONFIDENTIAL**. The compiled information will be used solely for general statistical purposes. The individual data of the household will not be disclosed to any person, organisation or other Government Departments.
