Educational Service includes the employees of school units and the staff of the Cyprus Productivity Center and the Higher Hotel Institute of Cyprus. Security Forces include the Police Service, Fire Service and the National Guard staff. In all three categories the employees are classified in permanent employees, employees with contracts of indefinite and definite duration and hourly paid workers (regular, casual and seasonal staff).

The members of the House of Representatives are not included in the data.

### **Collection of Data**

Data concerning Government employment is provided by the Treasury of the Republic and refers to the number of persons that were paid in the current month, irrespective of the period and duration of employment.

### **Break in the Series**

As from January 2024 the classification for permanent and casual staff was discontinued.
