FOR THE YEAR 2020

A. ENTERPRISE CHARACTERISTICS

Name of Private Enterprise:

Address (street and number):

Municipality/Community: Postal Code: District:.....

Post-Office Box: Postal Code (Box):

Telephone Number: Fax:

General Information regarding the Survey

1. The purpose of the Survey is to collect statistical data on the provision of healthcare plans by organisations/enterprises for the benefit of their employees.
2. The Survey is conducted according to the European Regulation (E/C) No. 458/2007 and the methodology which is determined by the Statistical Service of the European Union (Eurostat). These data are collected on an annual basis.
3. The methodology defined by ESSPROS (European System of integrated Social PROtection Statistics) foresees that all transactions are recorded on an accrual basis, that is, at the time the events which create the related claims and liabilities occur.
4. The Survey is conducted based on the Official Statistics Law, No. 25 (I) /2021 and your participation is mandatory. You are kindly requested to answer all the relevant questions as accurately as possible. If you cannot provide all the requested information with accuracy, you may give an estimate to the best of your knowledge.
5. All the data refer to the time period from the **1st of January 2020 to the 31st of December 2020.**

6. DATA WHICH WILL BE PROVIDED WILL BE KEPT CONFIDENTIAL

According to the Statistics Law, the Statistical Service is required to keep **CONFIDENTIAL** all the data which you will provide. Your answers will be used exclusively for statistics purposes and no one will be informed about the data concerning the persons who are employed in your enterprise, neither Public Authority nor civilian.

B. CHARACTERISTICS OF THE HEALTHCARE COVERAGE PROVIDED BY THE ENTERPRISE
