METHODOLOGICAL INFORMATION

Scope and Coverage

Data for the Registration of Motor Vehicles are collected on a monthly basis. They include the newly registered motor vehicles, as recorded by the Department of Road Transport.

The registrations are presented by category, make, energy type, new or used, engine cubic capacity, country of manufacture and other vehicle characteristics, based on the information maintained by the Motor Vehicles Registration and Licensing Authority of the Department of Road Transport.

Data Collection

The collection of data is conducted by the Statistical Service, which receives the necessary data from the Department of Road Transport.

Definitions

"Road motor vehicle" means any road vehicle fitted with an engine whence it derives its sole means of propulsion, which is normally used for carrying persons or goods by road, namely:
