METHODOLOGICAL INFORMATION

Coverage

State Employees include the Civil Service, Educational Service and Security Forces staff. Civil Service includes employees of the Ministries, Departments and Services. Educational Service includes the employees of school units and the staff of the Cyprus Productivity Center and the Higher Hotel Institute of Cyprus. Security Forces include the Police Service, Fire Service and the National Guard staff. In all three categories the employees are classified in permanent employees, employees with contracts of indefinite and definite duration and hourly paid workers (regular, casual and seasonal staff).

The members of the House of Representatives are not included in the data.

Collection of Data

Data concerning State Employees is provided by the Treasury of the Republic and refers to the number of persons that were paid in the current month, irrespective of the period and duration of employment.

Break in the Series

As from January 2024 the classification for permanent and casual staff was discontinued. CYSTAT has adjusted the structure of government personnel to permanent, employees with contracts of indefinite duration, employees with contracts of definite duration and hourly paid workers. Therefore, there is a break in the series and data from previous months are not comparable.

Definitions

As of March 2026, the term "Government" has been replaced by the term "State Employees" for greater accuracy. The methodology and the comparability of the data over time are not affected.
