A. CHARACTERISTICS OF THE ENTERPRISE

1. Name of Enterprise or Proprietor:
2. Address:
(Number and street)
Town/Village: District:
3. Correspondence Address:
Postal Code: Post Office Box:
Telephone: Fax:
Email:
4. Legal Entity of Enterprise:
5. Kind of Activity (Describe fully):
.....

General Instructions

1. The Survey covers all transport categories (land, water, air) and other activities related to the transport sectors i.e. shipping offices and aviation companies, custom clearing services, bonded warehouses, parking places, etc. The survey aims to collect basic statistical data which is related to the output and expenses of these activities.
2. The Survey is carried out in accordance with the **Statistical Law, No. 15(I)/2000**. Refusal or negligence to provide the relevant information and the provision of inaccurate or incomplete information will render the respondent liable to the consequences of this Law.
3. All questions should be answered with the highest possible accuracy. If you cannot give precise figures you may give the nearest possible estimates.
4. All data should refer to the period from **1st January to 31st December 2009.**
5. **ALL DATA COLLECTED WILL BE TREATED AS STRICTLY CONFIDENTIAL**

The Statistical Service is obliged under the Statistics Law to treat all the information collected as strictly confidential and to use it solely for statistical purposes. No data for any individual enterprise may be published or disclosed to either public bodies or private individuals.

All data concerning “Value” for all sections, should be given in EURO (€)

NOTES

This image shows a full page of a document template. It consists of a series of evenly spaced, horizontal dotted lines running across the width of the page. The background is plain white, and there are no margins, text, or other markings present. This type of template is commonly used for teaching handwriting to children or as a general-purpose writing guide.
